Kosher & Halal Statement

Nutress BV is a Phycom company.

Phycom BV, located in Nijkerk The Netherlands, manufactures and markets nutritional added value applications for feed, food and pharma. This is realized by cultivating and developing food grade algae(products).

The algae products do not contain any ingredient of animal origin, nor does it contain ethanol or other alcohols.

Equipment is solely used in the cultivation and manufacturing of algae products and not used for any other products or ingredients.

During the manufacturing process no ingredient of animal origin is used. Nor do the products come in contact with animal or alcohol products during storage and transportation.

Phycom implemented a the fully integrated quality system and received certification according to FSSC22000 and GMP+ standards.

This message is read and approved by Mr. E. Houtzager, Founder and CEO of Phycom BV on February 1st 2017.
