Non Allergen Statement

Nutress BV is a Phycom company.

Phycom BV, located in Nijkerk The Netherlands, manufactures and markets nutritional added value applications for feed, food and pharma. This is realized by cultivating and developing food grade algae(products).

Phycom nor Nutress BV does not use or market any (raw) material that contain any known allergens. On site, no raw materials sourced from any known allergens are stored.

Therefor we declare, that de algae products of Nutress do not contain any known allergens.

Phycom implemented and received certification for the fully integrated quality system FSSC22000 and GMP+, including supplier statements and audits in order to manage the non-allergen status of all raw materials.

This message is read and approved by Mr. R. Noteboom, QA Manager of Phycom BV on June 7th 2017.
