## Non PAH Statement

Nutress BV is a Phycom company.

Phycom BV, located in Nijkerk The Netherlands, manufactures and markets nutritional added value applications for feed, food and pharma. This is realized by cultivating and developing food grade algae(products).

Polycyclic aromatic hydrocarbons (PAH) and polycyclic aromatics can arise when products are heated above 180° Celsius. During the production process the algae never exceed the temperature of 140° Celsius. Therefor polycyclic aromatic hydrocarbons do not occur in its products and forms no risks.

Phycom implemented and received certification for the fully integrated quality system FSSC22000 and GMP+.

This message is read and approved by Mr. R. Noteboom, QA Manager of Phycom BV on June 7<sup>th</sup> 2017.
