Statement of Origin

Nutress BV is a Phycom company.

Phycom BV, located in Nijkerk The Netherlands, manufactures and markets nutritional added value applications for feed, food and pharma. This is realized by cultivating and developing food grade algae(products).

The Quality Management System of Phycom BV also trading as Nutress BV is approved on June 2nd 2017 and in full compliance with the set FSSC22.000 standards. The in-house developed closed cultivation system of Phycom BV is controlled in full and located in Nijkerk, The Netherlands. The cultivation process, from start to harvest, is standardised and closely monitored. If any deviation occurs, it is observed in a timely manner and the culture is discarded. This assures a uniform final product.

The location of the cultivation system and production site of Phycom is Nijkerk. The origin of Phycom algae products is there for The Netherlands, EU. Nutress BV trades only Phycom produced algae products.

This message is read and approved by Mr. E. Houtzager, CEO of Phycom BV on December 15th 2017.
